Subject, Revision of establishment in Jagalur Municipality

Sir,

I have the honour to state that the Municipal Council, Jagalur has resolved to revise the strength and scale of the Municipal Establishment as noted in the enclosed list for the reasons noted against each The President of the Municipality requests that the revision may be brought into effect from 1-7-1946

2 The revision of the establishment is in respect of items noted below involving an additional expenditure of Rs 32/ P M as noted in the proposition statement

i) There is only one clerk on a pay of Rs 20-1-25 It is proposed to raise the scale to Rs 25-1-40 so as to be on a par with that obtaining in the Revenue department, s it is rather difficult to secure the services of experienced clerk on the old scale This change of the scale will also facilitate interchange of officials from the Revenue to Municipal and vice versa

ii) It is next proposed to obolish the post of a peon on Rs 10/

iii) There are three scavengers at present ie , one on Rs 11/ and two on Rs 10/ each It is proposed to increase the pay of the t o latter scavengers from Rs 10 to 11/ so that the pay may be uniform

iv) There are ten scavengers at present , 5 on Rs 9/ each 3 on Rs 8/ each and 2 on Rs 7/ each As the town is growing it is felt necessary to employ two more scavengers and to fix their pay at a uniform scale of Rs 9/ per month as all of them are employed on the same kind of work and the distribution is without a difference

V) The President rep that the post of a bill collector on 15-1-20 was sanctioned by the Deputy Commissioner ~~cyclone~~ in memo No S2 2697/42-43 dated 6-4-43 and this post is continued by the Municipality in the interest of collection work The President requests sanction of Government for the continuance of this post on 15-1-20 from 1-7-43 to 30-6-1946 He further requests that the scale of this post may be increased from 1-7-46 from 15-1-20 to 20-1-25 as experienced men cannot be secured for collection work on the old scale

(3) The revision of the establishment as proposed by the Municipal council is reasonable and necessary for the efficient management of the Municipalities I request that sanction of Government may kindly be obtained for the revision of the establishment with effect from 1-7-46 as resolved by the Municipal Council Sanction of Government may also be obtained to ratify the action of the President in continuing the post of the bill collector on 15-1-20 from 1-7-1943 and onwards up to 30-6-1946 and to raise the scale of this post from 1-7-46 and onwards from 15-1-20 to 20-1-25 on a permanent basis Due provision will be made in the budget of the Municipality from the year 1946-47 onwards Kind reference is also invited to this office letter No 742/43-44 dated 9-3-1946 requesting early orders of Government to increase the scale of all the clerks from 20-1-25 to 25-1-40 in all the four classes of Municipalities in the District Orders of Government may kindly be obtained at an early date

(4) The entire file of papers ending with report No C 138 44-45 dated 24-3-1946 received from the President of Jagalur Municipality is enclosed herewith for favour of reference
